Tower Hill Botanic Garden & Old Mill Luncheon – followed by Smith Country Cheese

Boylson/Westminister

9:15 AM – Depart Bedford COA – 10 Mudge Way, Bedford

MA. Our day begins at the beautiful New England Botanic Garden at Tower Hill. This renowned botanical garden offers a serene setting featuring a variety of themed gardens and sweeping views of the surrounding countryside. Highlights include a large orchard, an impressive conservatory, and expansive formal gardens. The garden is especially noted for its seasonal floral displays and meticulously maintained walking paths.

We will then enjoy lunch at the historic **Old Mill Restaurant**, a family-owned landmark housed in a rustic 18th-century building. Overlooking a scenic mill pond and waterfall, the restaurant provides a charming and memorable dining experience.

Entrée Selection (please choose one):

- Baked Haddock with Crumb Topping
- Chicken Vegetable Pie

All entrées are served with potato, vegetable, corn fritter, cranberry or apple juice, and coffee. Dessert will be homemade apple crisp topped with whipped cream.

Our final stop is **Smith's Country Cheese**, a working dairy farm and creamery known for its farm-fresh, award-winning cheeses, including Gouda and Cheddar varieties. Each guest will receive a complimentary surprise Gouda spread to take home. Return back to Bedford COA at 5:00 PM.
